# £44,500 - 2005 MONTEREY 250/275 Cruiser - LOA 28'5"

The Monterey 250 has become the entry level cruiser against which all others are judged. Superbly built and with outstanding sea handling she offers that real level of comfort that one expects from cruisers far larger. She also boasts an excellent level of standard equipment. A very nice and carefully looked after example of Southwater's most successful cruiser - with glistening black gelcoat topsides, white hull, deck and cockpit areas. She also has a full height extended camper cover, GPS chartplotter, VHF , pull up cleats, macerator, cockpit carpet and antifouling. (1845).
